

REMARKS

In view of the amendments to the claims set forth above and the remarks below, reconsideration of the final rejection is requested.

The claims pending for consideration are Claims 1 and 3-14, all of which have been finally rejected by the Examiner as being indefinite under the second paragraph of 35 U.S.C. § 112. Claim 1 has been amended to clarify what is being purified by incorporating the language kindly suggested by the Examiner. With the indefiniteness of Claim 1 being overcome, the remaining claims, which depend from Claim 1, are now also believed to be definite.

In view of the amendments to the claims and the remarks set forth above, reconsideration and allowance of the application is respectfully requested.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "T. E. Tinkler".
